PRIVACY POLICY

Last updated: August 27, 2026

This Privacy Notice for **VLAB – Multidisciplinary Virtual Laboratory Platform Using Smartphones, Virtual Reality (VR) Headsets, and ESP32 Interactive Controllers to Promote STEM Education Among Students** ("**we**," "**us**," or "**our**"), describes how and why we might access, collect, store, use, and/or share ("**process**") your personal information when you use our services ("**Services**"), including when you:

- Visit our website at https://vlabwebapp.vercel.app/ or any website of ours that links to this Privacy Notice.
- Download and use our mobile application (**VLAB**), or any other application of ours that links to this Privacy Notice.
- Use **VLAB**, a multidisciplinary virtual lab platform that uses smartphones, virtual reality (VR) headsets, and ESP32 interactive controllers to promote STEM education among students.
- Engage with us in other related ways, including any marketing or events.

Questions or concerns?

Reading this Privacy Notice will help you understand your privacy rights and choices. We are responsible for making decisions about how your personal information is processed.

If you do not agree with our policies and practices, please do not use our Services.

If you still have any questions or concerns, please contact us at:

nguamanvlab@gmail.com

SUMMARY OF KEY POINTS

This summary provides key points from our Privacy Notice, but you can find out more details about any of these topics in the sections below.

What personal information do we process?

When you visit, use, or navigate our Services, we may process personal information depending on how you interact with us and the Services, the choices you make, and the products and features you use.

Do we process any sensitive personal information?

Some of the information may be considered "special" or "sensitive" in certain jurisdictions, for example your racial or ethnic origins, sexual orientation, and religious beliefs.

We do not process sensitive personal information.

Do we collect any information from third parties?

We may collect information from public databases, marketing partners, social media platforms, and other outside sources.

How do we process your information?

We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law.

We may also process your information for other purposes with your consent.

We process your information only when we have a valid legal reason to do so.

In what situations and with which types of parties do we share personal information?

We may share information in specific situations and with specific categories of third parties.

How do we keep your information safe?

We have adequate organizational and technical processes and procedures in place to protect your personal information.

However, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure. Therefore, we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information.

What are your rights?

Depending on where you are located geographically, applicable privacy laws may mean you have certain rights regarding your personal information.

How do you exercise your rights?

You may exercise your privacy rights by contacting us directly. We will consider and act upon any request in accordance with applicable data protection laws.

14. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

---

1. WHAT INFORMATION DO WE COLLECT?

Personal information you disclose to us

In Short: We collect personal information that you provide to us.

We collect personal information that you voluntarily provide to us when you register on the Services, express an interest in obtaining information about us or our products and Services, participate in activities on the Services, or otherwise contact us.

Personal Information Provided by You

The personal information that we collect depends on the context of your interactions with us and the Services, the choices you make, and the products and features you use.

The personal information we collect may include:

- Names
- Email addresses
- Passwords
- Usernames
- Phone numbers
- Mailing addresses
- Contact or authentication data

Sensitive Information

We do not process sensitive information.

Social Media Login Data

We may provide you with the option to register with us using your existing social media account details, such as your Facebook, X, or other social media account.

If you choose to register in this way, we will collect certain profile information about you from the social media provider, as described in the section **"HOW DO WE HANDLE YOUR SOCIAL LOGINS?"** below.

Application Data

If you use our application(s), we may also collect the following information if you choose to provide us with access or permission.

Mobile Device Access

We may request access or permission to certain features from your mobile device, including your mobile device's:

- Bluetooth
- SMS messages
- Other device features

If you wish to change our access or permissions, you may do so in your device's settings.

Mobile Device Data

We automatically collect device information, such as your mobile device ID, model, and manufacturer, operating system, version information and system configuration information, device and application identification numbers, browser type and version, hardware model, Internet service provider and/or mobile carrier, and Internet Protocol (IP) address or proxy server.

If you are using our application(s), we may also collect information about:

- The phone network associated with your mobile device
- Your mobile device's operating system or platform
- The type of mobile device you use
- Your mobile device's unique device ID
- Information about the features of our application(s) that you accessed

Push Notifications

We may request to send you push notifications regarding your account or certain features of the application(s).

If you wish to opt out from receiving these types of communications, you may turn them off in your device's settings.

This information is primarily needed to maintain the security and operation of our application(s), for troubleshooting, and for our internal analytics and reporting purposes.

All personal information that you provide to us must be true, complete, and accurate, and you must notify us of any changes to such personal information.

Information automatically collected

In Short: Some information — such as your Internet Protocol (IP) address and/or browser and device characteristics — is collected automatically when you visit our Services.

We automatically collect certain information when you visit, use, or navigate the Services.

This information does not reveal your specific identity, such as your name or contact information, but may include device and usage information, such as:

- IP address
- Browser and device characteristics
- Operating system
- Language preferences
- Referring URLs
- Device name
- Country
- Location
- Information about how and when you use our Services
- Other technical information

This information is primarily needed to maintain the security and operation of our Services and for our internal analytics and reporting purposes.

Log and Usage Data

Log and usage data is service-related, diagnostic, usage, and performance information our servers automatically collect when you access or use our Services and which we record in log files.

Depending on how you interact with us, this log data may include:

- IP address
- Device information
- Browser type and settings
- Information about your activity in the Services
- Date and time stamps associated with your usage
- Pages and files viewed
- Searches
- Features you use
- Device event information
- System activity

- Error reports, sometimes called "crash dumps"
- Hardware settings

Device Data

We collect device data such as information about your computer, phone, tablet, or other device you use to access the Services.

Depending on the device used, this device data may include:

- IP address or proxy server
- Device and application identification numbers
- Location
- Browser type
- Hardware model
- Internet service provider and/or mobile carrier
- Operating system
- System configuration information

Google API

Our use of information received from Google APIs will adhere to the **Google API Services User Data Policy**, including the **Limited Use requirements**.

Information collected from other sources

In Short: We may collect limited data from public databases, marketing partners, social media platforms, and other outside sources.

In order to enhance our ability to provide relevant marketing, offers, and services to you and update our records, we may obtain information about you from other sources.

These sources may include:

- Public databases
- Joint marketing partners
- Affiliate programs
- Data providers
- Social media platforms
- Other third-party sources

The information we may receive can include:

- Contact addresses
- Job titles
- Email addresses
- Phone numbers
- Intent data or user behavior data

- IP addresses
- Social media profiles
- Social media URLs
- Custom profiles

If you interact with us on a social media platform using your social media account, such as Facebook or X, we may receive personal information about you from those platforms, such as your name, email address, and gender.

You may have the right to withdraw your consent to processing your personal information.

Any personal information that we collect from your social media account depends on your social media account's privacy settings.

Please note that the third party's own use of your information is not governed by this Privacy Notice.

---

2. HOW DO WE PROCESS YOUR INFORMATION?

In Short: We process your information to provide, improve, and administer our Services, communicate with you, for security and fraud prevention, and to comply with law.

We may also process your information for other purposes with your consent.

We process your personal information for a variety of reasons, depending on how you interact with our Services, including:

To facilitate account creation and authentication and otherwise manage user accounts

We may process your information so you can create and log in to your account, as well as keep your account in working order.

To deliver and facilitate delivery of services to the user

We may process your information to provide you with the requested service.

To respond to user inquiries and offer support to users

We may process your information to respond to your inquiries and solve any potential issues you might have with the requested service.

To fulfill and manage your orders

We may process your information to fulfill and manage your orders, payments, returns, and exchanges made through the Services.

To enable user-to-user communications

We may process your information if you choose to use any of our offerings that allow for communication with another user.

To request feedback

We may process your information when necessary to request feedback and to contact you about your use of our Services.

To send you marketing and promotional communications

We may process the personal information you send to us for our marketing purposes, if this is in accordance with your marketing preferences.

You can opt out of our marketing emails at any time.

To deliver targeted advertising to you

We may process your information to develop and display personalized content and advertising tailored to your interests, location, and more.

To protect our Services

We may process your information as part of our efforts to keep our Services safe and secure, including fraud monitoring and prevention.

To evaluate and improve our Services, products, marketing, and your experience

We may process your information when we believe it is necessary to identify usage trends, determine the effectiveness of our promotional campaigns, and evaluate and improve our Services, products, marketing, and your experience.

To identify usage trends

We may process information about how you use our Services to better understand how they are being used so we can improve them.

To determine the effectiveness of our marketing and promotional campaigns

We may process your information to better understand how to provide marketing and promotional campaigns that are most relevant to you.

To comply with our legal obligations

We may process your information to comply with our legal obligations, respond to legal requests, and exercise, establish, or defend our legal rights.

---

3. WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?

In Short: We may share information in specific situations described in this section and/or with the following categories of third parties.

Vendors, Consultants, and Other Third-Party Service Providers

We may share your data with third-party vendors, service providers, contractors, or agents ("third parties") who perform services for us or on our behalf and require access to such information to do that work.

We have contracts in place with our third parties, which are designed to help safeguard your personal information.

This means that they cannot do anything with your personal information unless we have instructed them to do so.

They will also not share your personal information with any organization apart from us.

They also commit to protect the data they hold on our behalf and to retain it for the period we instruct.

The categories of third parties we may share personal information with are:

- AI Platforms
- Cloud Computing Services
- Data Analytics Services
- Website Hosting Service Providers
- User Account Registration & Authentication Services

We also may need to share your personal information in the following situations.

Business Transfers

We may share or transfer your information in connection with, or during negotiations of:

- Any merger
- Sale of company assets
- Financing
- Acquisition of all or a portion of our business by another company

---

4. DO WE USE COOKIES AND OTHER TRACKING TECHNOLOGIES?

In Short: We may use cookies and other tracking technologies to collect and store your information.

We may use cookies and similar tracking technologies, such as web beacons and pixels, to gather information when you interact with our Services.

Some online tracking technologies help us:

- Maintain the security of our Services and your account
- Prevent crashes
- Fix bugs
- Save your preferences
- Assist with basic site functions

We also permit third parties and service providers to use online tracking technologies on our Services for analytics and advertising, including to help manage and display advertisements or to tailor advertisements to your interests.

The third parties and service providers use their technology to provide advertising about products and services tailored to your interests, which may appear either on our Services or on other websites.

Specific information about how we use such technologies and how you can refuse certain cookies is set out in our Cookie Notice.

Google Analytics

We may share your information with Google Analytics to track and analyze the use of the Services.

The Google Analytics Advertising Features that we may use include:

- Google Analytics Demographics and Interests Reporting
- Google Display Network Impressions Reporting

To opt out of being tracked by Google Analytics across the Services, visit:

https://tools.google.com/dlpage/gaoptout

You can opt out of Google Analytics Advertising Features through Ads Settings and Ad Settings for mobile apps.

Other opt-out means include:

http://optout.networkadvertising.org/

http://www.networkadvertising.org/mobile-choice

For more information on the privacy practices of Google, please visit the Google Privacy & Terms page.

---

5. DO WE OFFER ARTIFICIAL INTELLIGENCE-BASED PRODUCTS?

In Short: We offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies.

As part of our Services, we offer products, features, or tools powered by artificial intelligence, machine learning, or similar technologies (collectively, "**AI Products**").

These tools are designed to enhance your experience and provide you with innovative solutions.

The terms in this Privacy Notice govern your use of the AI Products within our Services.

Use of AI Technologies

We provide the AI Products through third-party service providers ("**AI Service Providers**"), including **OpenAI**.

As outlined in this Privacy Notice, your input, output, and personal information will be shared with and processed by these AI Service Providers to enable your use of our AI Products for purposes outlined in the section **"WHEN AND WITH WHOM DO WE SHARE YOUR PERSONAL INFORMATION?"**

You must not use the AI Products in any way that violates the terms or policies of any AI Service Provider.

Our AI Products

Our AI Products are designed for the following functions:

IoT

How We Process Your Data Using AI

All personal information processed using our AI Products is handled in line with our Privacy Notice and our agreements with third parties.

This ensures high security and safeguards your personal information throughout the process.

How to Opt Out

We believe in giving you the power to decide how your data is used.

To opt out, you can:

- Log in to your account settings and update your user account.

---

6. HOW DO WE HANDLE YOUR SOCIAL LOGINS?

In Short: If you choose to register or log in to our Services using a social media account, we may have access to certain information about you.

Our Services offer you the ability to register and log in using your third-party social media account details, such as your Facebook or X logins.

Where you choose to do this, we will receive certain profile information about you from your social media provider.

The profile information we receive may vary depending on the social media provider concerned, but will often include:

- Your name
- Email address
- Friends list
- Profile picture
- Other information you choose to make public on such a social media platform

We will use the information we receive only for the purposes described in this Privacy Notice or that are otherwise made clear to you on the relevant Services.

Please note that we do not control, and are not responsible for, other uses of your personal information by your third-party social media provider.

We recommend that you review their privacy notice to understand how they collect, use, and share your personal information and how you can set your privacy preferences on their sites and apps.

---

7. HOW LONG DO WE KEEP YOUR INFORMATION?

In Short: We keep your information for as long as necessary to fulfill the purposes outlined in this Privacy Notice unless otherwise required by law.

We will only keep your personal information for as long as it is necessary for the purposes set out in this Privacy Notice, unless a longer retention period is required or permitted by law, such as tax, accounting, or other legal requirements.

No purpose in this notice will require us to keep your personal information for longer than the period of time in which users have an account with us.

When we have no ongoing legitimate business need to process your personal information, we will either:

- Delete such information;
- Anonymize such information; or
- If this is not possible, for example because your personal information has been stored in backup archives, securely store your personal information and isolate it from any further processing until deletion is possible.

---

8. HOW DO WE KEEP YOUR INFORMATION SAFE?

In Short: We aim to protect your personal information through a system of organizational and technical security measures.

We have implemented appropriate and reasonable technical and organizational security measures designed to protect the security of any personal information we process.

However, despite our safeguards and efforts to secure your information, no electronic transmission over the Internet or information storage technology can be guaranteed to be 100% secure.

Therefore, we cannot promise or guarantee that hackers, cybercriminals, or other unauthorized third parties will not be able to defeat our security and improperly collect, access, steal, or modify your information.

Although we will do our best to protect your personal information, transmission of personal information to and from our Services is at your own risk.

You should only access the Services within a secure environment.

---

9. WHAT ARE YOUR PRIVACY RIGHTS?

In Short: You may review, change, or terminate your account at any time, depending on your country, province, or state of residence.

Withdrawing your consent

If we are relying on your consent to process your personal information, which may be express and/or implied consent depending on the applicable law, you have the right to withdraw your consent at any time.

You can withdraw your consent at any time by contacting us using the contact details provided in the section **"HOW CAN YOU CONTACT US ABOUT THIS NOTICE?"** below.

However, please note that this will not affect the lawfulness of processing before its withdrawal nor, when applicable law allows, will it affect the processing of your personal information conducted in reliance on lawful processing grounds other than consent.

Opting out of marketing and promotional communications

You can unsubscribe from our marketing and promotional communications at any time by clicking on the unsubscribe link in the emails that we send or by contacting us using the details provided in the section **"HOW CAN YOU CONTACT US ABOUT THIS NOTICE?"** below.

You will then be removed from the marketing lists.

However, we may still communicate with you, for example, to send you service-related messages that are necessary for the administration and use of your account, to respond to service requests, or for other non-marketing purposes.

Account Information

If you would at any time like to review or change the information in your account or terminate your account, you can:

- Log in to your account settings and update your user account.

Upon your request to terminate your account, we will deactivate or delete your account and information from our active databases.

However, we may retain some information in our files to:

- Prevent fraud
- Troubleshoot problems
- Assist with investigations
- Enforce our legal terms
- Comply with applicable legal requirements

If you have questions or comments about your privacy rights, you may email us at:

nguamanvlab@gmail.com

---

10. CONTROLS FOR DO-NOT-TRACK FEATURES

Most web browsers and some mobile operating systems and mobile applications include a **Do-Not-Track ("DNT")** feature or setting you can activate to signal your privacy preference not to have data about your online browsing activities monitored and collected.

At this stage, no uniform technology standard for recognizing and implementing DNT signals has been finalized.

As such, we do not currently respond to DNT browser signals or any other mechanism that automatically communicates your choice not to be tracked online.

If a standard for online tracking is adopted that we must follow in the future, we will inform you about that practice in a revised version of this Privacy Notice.

---

11. DO OTHER REGIONS HAVE SPECIFIC PRIVACY RIGHTS?

In Short: You may have additional rights based on the country you reside in.

Australia

We collect and process your personal information under the obligations and conditions set by **Australia's Privacy Act 1988 (Privacy Act)**.

This Privacy Notice satisfies the notice requirements defined in the Privacy Act, in particular:

- What personal information we collect from you
- From which sources
- For which purposes
- Other recipients of your personal information

If you do not wish to provide the personal information necessary to fulfill their applicable purpose, it may affect our ability to provide our services, in particular to:

- Offer you the products or services that you want
- Respond to or help with your requests
- Manage your account with us
- Confirm your identity and protect your account

At any time, you have the right to request access to or correction of your personal information.

You can make such a request by contacting us using the contact details provided in the section **"HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?"**

If you believe we are unlawfully processing your personal information, you have the right to submit a complaint about a breach of the **Australian Privacy Principles** to the:

Office of the Australian Information Commissioner

---

12. DO WE MAKE UPDATES TO THIS NOTICE?

In Short: Yes, we will update this notice as necessary to stay compliant with relevant laws.

We may update this Privacy Notice from time to time.

The updated version will be indicated by an updated **"Revised"** date at the top of this Privacy Notice.

If we make material changes to this Privacy Notice, we may notify you either by prominently posting a notice of such changes or by directly sending you a notification.

We encourage you to review this Privacy Notice frequently to be informed of how we are protecting your information.

---

13. HOW CAN YOU CONTACT US ABOUT THIS NOTICE?

If you have questions or comments about this notice, you may email us at:

nguamanvlab@gmail.com

You may also contact us by post at:

VLAB – Multidisciplinary Virtual Laboratory Platform Using Smartphones, Virtual Reality (VR) Headsets, and ESP32 Interactive Controllers to Promote STEM Education Among Students

Cao Bang City
Cao Bang Province
Vietnam

---

14. HOW CAN YOU REVIEW, UPDATE, OR DELETE THE DATA WE COLLECT FROM YOU?

Based on the applicable laws of your country, you may have the right to:

- Request access to the personal information we collect from you
- Request details about how we have processed it
- Correct inaccuracies
- Delete your personal information
- Withdraw your consent to our processing of your personal information

These rights may be limited in some circumstances by applicable law.

To request to review, update, or delete your personal information, please contact us directly at:

nguamanvlab@gmail.com

We will consider and act upon your request in accordance with applicable data protection laws.
